DETAILED ACTION

Priority

1. Receipt is acknowledged of papers submitted under 35 U.S.C. 119(a)-(d), which papers have been placed of record in the file.

Information Disclosure Statement

2. This office acknowledge receipt of the following items from the Applicant:
Information Disclosure Statement (IDS) filed on February 19, 2004.
3. Information disclosed and list on PTO 1449 was considered.

Drawings

4. Figures 13-16 should be designated by a legend such as **--Prior Art--** because only that which is old is illustrated. See MPEP § 608.02(g). Corrected drawings in compliance with 37 CFR 1.121(d) are required in reply to the Office action to avoid abandonment of the application. The replacement sheet(s) should be labeled "Replacement Sheet" in the page header (as per 37 CFR 1.84(c)) so as not to obstruct any portion of the drawing figures. If the changes are not accepted by the examiner, the applicant will be notified and informed of any required corrective action in the next Office action. The objection to the drawings will not be held in abeyance.

Allowable Subject Matter

5. Claims 1-36 are allowable over the art of record.

Art Unit: 2824

6. The following is an examiner's statement of reasons for allowance: There is no suggestion or teaching in the art of record to provide a nonvolatile semiconductor memory device or a method of writing a nonvolatile semiconductor memory device having a write circuit arranged per a bit line or a plurality of bit lines comprising a plurality of latch circuits and being configured to perform write operation to a plurality of pages by repeating continuous program operation which continuously performs program operations on a plurality of pages while a voltage generating circuit is continuously generating a voltage necessary for program operation, and continuous verify operation which continuously performs verify operations on a plurality of pages while the voltage generating circuit is continuously generating a voltage necessary for verify operation, in combination with the remaining claimed limitations as recited in the independent claims 1, 5, 16 and 18.

7. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
